### **Teach, Sail, & Live in Montana NFYC hiring 2017 Race Steward/Youth Instructor**

North Flathead Yacht Club  
PO Box 208  
Somers, MT 59932

The [North Flathead Yacht Club](#) seeks an enthusiastic sailor to fill the dual roles of Race Steward and Youth Instructor for summer 2017 and beyond. Position runs from June through August and pays \$525/wk. Waterfront apartment provided! Two season commitment preferred.

The Race Steward, with guidance from our Race Committee, will set courses appropriate to wind conditions, signal starts, and score races for the various events of the summer. The 2017 calendar currently holds 2 weekly evening buoy series, 8 weekend day races, and a multi-day regatta (Montana Cup, avg. 30 boats). Additional events are pending and may be added. The position requires familiarity with sailboat racing according to the current US Racing Rules of Sailing, as well as competent powerboating skills such as docking and anchoring.

The Youth Instructor, with guidance from the Junior Sailing Chair, is responsible for developing and implementing the training curriculum for approximately 12 youth ranging in age from 8 to 16 years. Divided by skill levels, the program utilizes Optis, FJs, and Lasers as appropriate. The position requires US Sailing Level 1 Small Boat Instructor certification (including prerequisites: 16+ yrs age, current CPR & First Aid training, and safety boat competence) by the start of the season. It also helps a lot if you like kids.

If interested, please contact me with an introductory cover letter and pertinent resume, or any questions regarding the post. Please join us if you're ever in beautiful NW Montana.  
Thanks & Good Day,

George Michels, Vice Commodore
